By registering you are accepting the [terms and conditions](#) of using the software. Free Trial Terms: Your time-limited free trial starts immediately after sign-up. At the end of your trial, you have the option to begin your subscription. Your eligibility and access to use an AssistDent free trial offer is determined solely by Manchester Imaging Limited.

Back Register

Once registration is complete; AssistDent is automatically activated on the first appointed surgery PC and consequently opens ready for use.

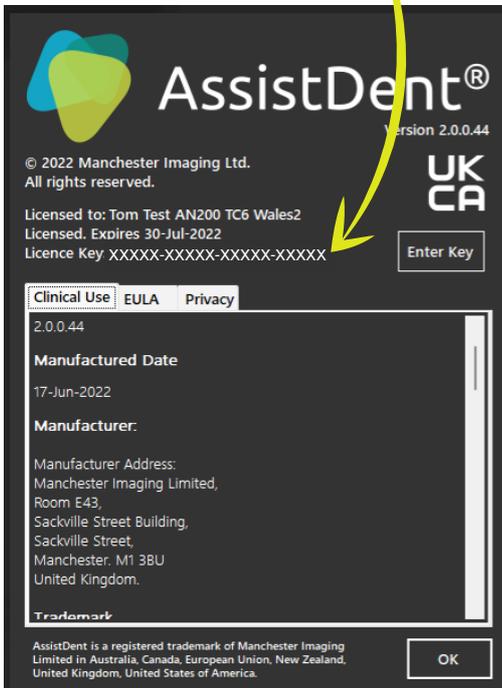

To activate subsequent surgery PCs; it is necessary to make a note of the unique licence number located in 'About AssistDent' to pass onto the other 3x designated users.

STEP 3: Go to the AssistDent Menu  and Click on 'About AssistDent'

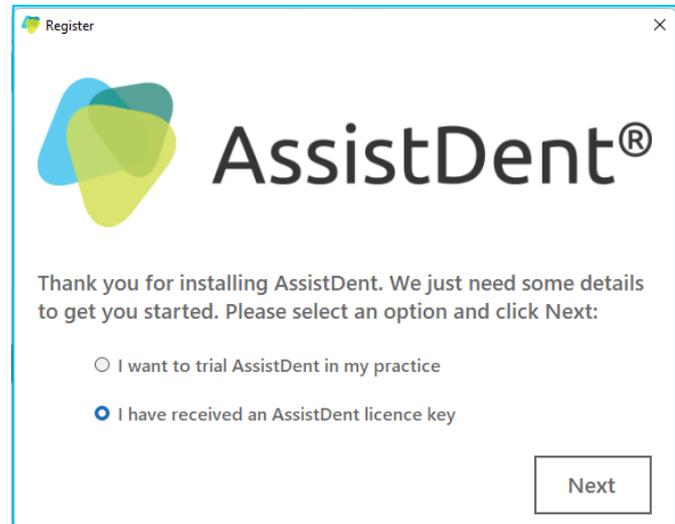

Unique Licence Key Details

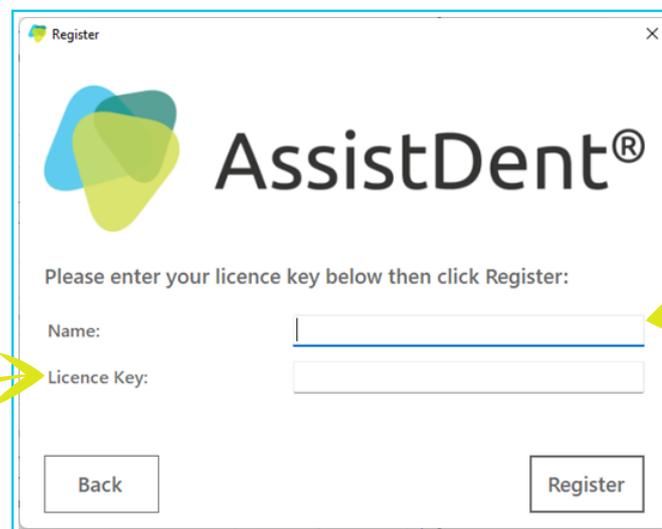

Setting Up The Additional 3x PCs

STEP 4: Download AssistDent to three more PCs

STEP 5: Click on 'I already have an AssistDent Licence Key'

STEP 6: On the next screen, enter your name (this is your *personal name*, not the practice name)

STEP 7: The primary AssistDent subscription account holder has access to the main customer licence; a unique 20-character licence key. Upon receipt, please carefully input the details...

CAPITALS: XXXXX-XXXXX-XXXXX-XXXXX and then click '**Register**'. **N.B.** This can take up to 30 seconds to process before AssistDent is 'activated' and ready to use on the additional PC.

Existing Customer Account Upgrade

Licence Rules: When a licence becomes fully utilised with four active surgery PC's. a brand new subscription is required with different email credentials to add more surgeries and repeat the above processes.
